

LIGHT + SPACE

EOS CHANDELIER

Installation Instructions Page 1.

Step 1

Assemble with gloves provided on a large flat padded surface.

Step 2

Layout flat parts **Arm A** + **Arm B** on surface.

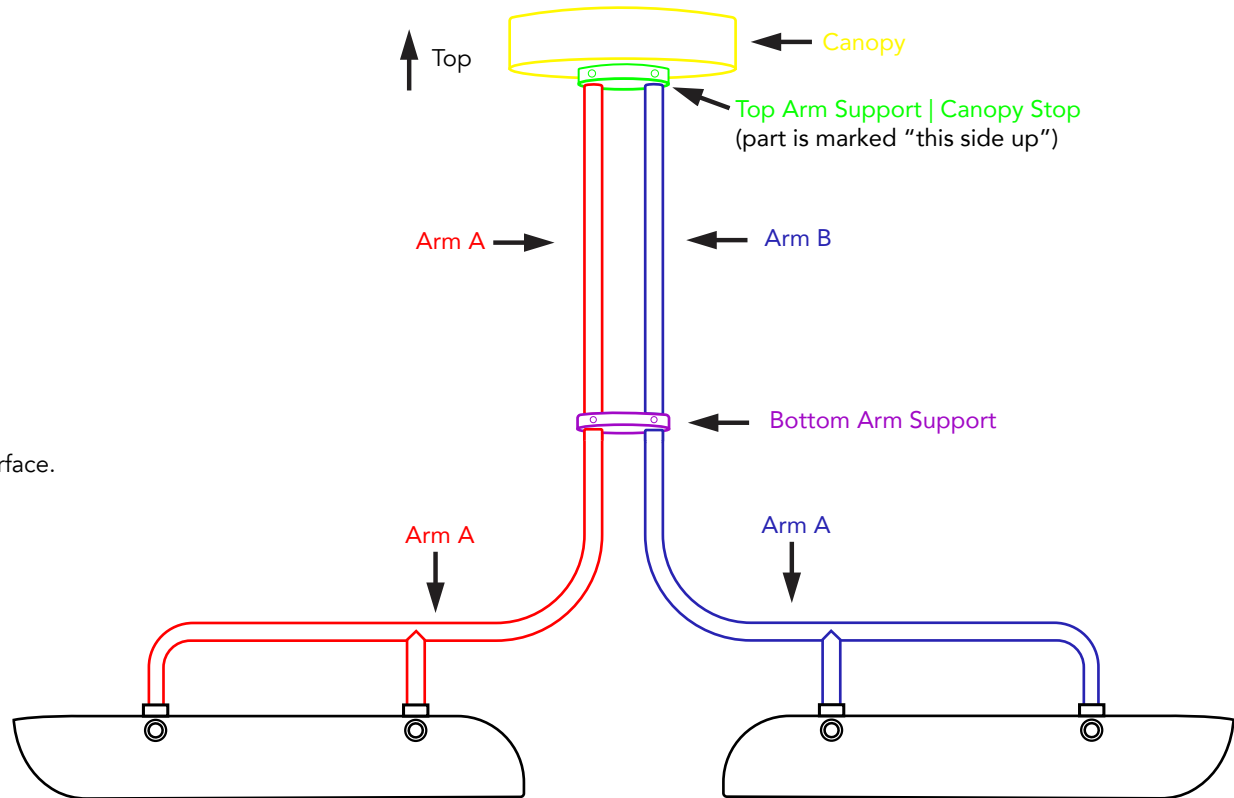

Step 3

Remove screws from **Bottom Arm Support**.

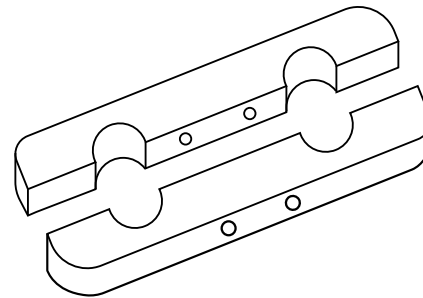

Step 4

Attach one half of **Bottom Arm Support** to **Arm A** + **Arm B** at marked location.
Assure proper alignment before tightening corresponding half of **Bottom Arm Support**.
