PANTHELLA 250 TABLE LAMP

LED 2700K 10W / 120V / Pale blue / Black cord / - / - / 5744612649

The fixture emits a glare-free, soft and comfortable illumination. The metal shade versions direct the light directly downwards and create a pleasant illumination due to the inner white painted shade and the reflection from the trumpet-shaped stem. The opal acrylic produces a diffused comfortable light due to the translucent shade, the downward reflection from the inner shade and the reflection from the trumpet-shaped stem.
