PANTHELLA 400 TABLE LAMP

120V / White opal acryl / - / - / / 5744916510

The fixture emits a glare-free, soft and comfortable illumination. The opal acrylic shade leaves a diffused comfortable light atmosphere due to the translucent shade, the downward reflection from the inner shade and the reflection from the trumpet stem.

Verner Panton

Verner Panton (1926-1998) is famous for his inspirational and colorful personality. A unique person with a special sense for color, shape, light function and space. Over the course of his career, Panton introduced a series of modern lamps with personalities unlike any of his Scandinavian contemporaries.
